If the Subscriber is an individual, (s)he hereby represents and warrants that (s)he is over 18 years of age. Where the Subscriber is a financial institution, broker or other person applying to acquire Units on behalf of its individual client(s), the Subscriber represents and warrants that it has made due diligence enquiries to make sure that the individual investor is not involved in money laundering or terrorist activities.

The Subscriber has received in good time before its investment a copy of, read, understands and agrees to the terms and conditions of the offering of Units described in the Prospectus, and the Subscriber acknowledges that this Application Form is made on the terms thereof and subject to the provisions of the Company's constitutional documents from time to time in force. The Subscriber understands that an investment in the Company is speculative and may be lost entirely or in part and that past results are not necessarily indicative of future performance. The Subscriber has had the opportunity to ask questions of the Company's representatives concerning the Company and the terms and conditions of this offering and to obtain such additional information as the Subscriber considers necessary to appropriately evaluate an investment in the Company. The Subscriber acknowledges and agrees that its investment will be subject to the minimum investment and holding amounts as described in the Prospectus, and represents that, unless it is acting as an intermediary subscribing for Units as a record owner on behalf of one or more investors or beneficial owners, it is acquiring the Units solely for its own account for investment and not with a view to distribution or resale in whole or in part. Unless otherwise stated, capitalised terms appearing herein shall have the same meaning as in the Prospectus.

The Subscriber confirms that no representations have been made to it by the Company, the Management Company, the Administrator, the Global Distributor or their respective representatives that are inconsistent with the Prospectus. The Subscriber is not relying on the Company, the Management Company, the Administrator, the Global Distributor and/or any of their affiliates, directors, officers or employees with respect to the tax and other economic considerations involved in this investment.

The Subscriber understands the redemption procedures and restrictions described in the Prospectus.

(In respect of joint Subscribers only) We direct that on the death of one of us the Units for which we hereby apply be held in the name of and to the order of the survivor or survivors of us or the executor or administrator of the last of such survivor or survivors.

The Subscriber represents that all of the information that the Subscriber has provided to the Company in connection with this Application Form is true and correct.

The Subscriber acknowledges that no redemption payment may be made from the Subscriber's holding until the original form Application Form (with respect to initial applications for Units), and all documentation required by the Company and the Administrator (including all necessary anti-money laundering documentation) has been received by the Administrator. The Subscriber further acknowledges that redemptions will not be processed on non-cleared/verified accounts and that all redemption payments made by the Administrator back to the Unitholder(s), will be returned to the originating bank account specified in this Application Form, unless a written request for change has been received and approved by the Administrator. Neither the Company nor the Administrator will be responsible in the event that the Administrator does not receive a redemption request on a timely basis. Therefore, all Unitholders submitting redemption requests should confirm receipt of such requests with the Administrator.

For the purposes of the DPA, the Company is deemed to be the data controller. The Subscriber hereby authorises the Company and the Administrator to retain all documentation provided by the Subscriber in relation to the Subscriber's investment in the Company for such period of time as may be required by applicable laws and regulations.

The Subscriber acknowledges that the Company, the Management Company, the Administrator, the Global Distributor and/or the Subscriber's selling agent (if applicable) may disclose to each other, to their respective affiliates, to any other service provider to the Company and to any regulatory body in any applicable jurisdiction to which any of the Company, the Management Company, the Administrator, the Global Distributor and/or the Subscriber's selling agent (if applicable) is or may be subject, copies of the Subscriber's subscription/application documents and any information concerning the Subscriber in their respective possession, whether provided by the Subscriber to the Company, the Management Company, the Administrator, the Global Distributor and/or the Subscriber's selling agent or

otherwise, including details of the Subscriber's holdings in the Company, historical and pending transactions in Units and the values thereof, and any such disclosure shall not be treated as a breach of any restriction upon the disclosure of information imposed on any such person by law or otherwise.

The Subscriber acknowledges that it may receive or have access to confidential proprietary information concerning the Company and relevant Fund(s), including, without limitation, portfolio positions, valuations, information regarding potential investments, financial information, trade secrets and the like (collectively, "**Confidential Information**"), which is proprietary in nature and non-public. Without prejudice to any other duty owed to the Company under which the Subscriber concerned has to keep Confidential Information given to him or received or obtained by him in confidence, the Subscriber hereby covenants with the Company that it will not use, divulge or communicate to any person, firm or organisation (other than in the course of properly performing his duties or with the prior consent of the Directors or as required by law) any of the Confidential Information of the Company relating to the business, finances or affairs of the Company, reports (including but not limited to the Company's financial statements), papers, data or other information prepared for the Company or acquired by the Company which the Subscriber may have received or obtained while a Unitholder in the Company.

The Subscriber represents that the Units are not being acquired and will not be held in violation of any applicable laws.

A Prohibited Investor includes: (i) an individual, entity or organisation identified on any U.S. Office of Foreign Assets Control "watch list"; (ii) a foreign shell bank¹; and (iii) a person or entity resident in or whose subscription funds are transferred from or through a jurisdiction identified as non-cooperative by the Financial Action Task Force ("**FATF**"); (iv) does not fall in the list of persons not accepted by the Administrator (v) does not require the execution of transactions that are not accepted by the Administrator. The Subscriber further represents that it does not have any affiliation of any kind with an individual, entity or organisation described in (i), (ii) (iii) and (iv) and (v)

¹ Foreign shell bank means a foreign bank without a physical presence in any country, but does not include a regulated affiliate. A post office box or electronic address would not be considered a physical presence. A regulated affiliate means a foreign shell bank that: (1) is an affiliate of a depository institution, credit union, or foreign bank that maintains a physical presence in the U.S. or a foreign country, as applicable; and (2) is subject to supervision by a banking authority in the country regulating such entity.

above. If the Subscriber is acting as an intermediary subscribing for Units as a record owner on behalf of one or more investors or beneficial owners (each such person being a "**Beneficial Owner**"), the Subscriber understands and acknowledges that the representations, warranties, acceptances and agreements made herein are made by the Subscriber (i) with respect to the Subscriber and (ii) with respect to the Beneficial Owner. The Subscriber represents that it: (i) has provided the Beneficial Owner with a copy of the Prospectus in good time before the relevant transaction (unless the Subscriber has the requisite discretionary authority to make investment decisions on the Beneficial Owner's behalf and under the regulations of the Subscriber's country and the Beneficial Owner's country, and under the Subscriber's agreement with the Beneficial Owner, the Subscriber is not required to deliver any or all of the aforementioned documents to the Beneficial Owner); (ii) has all requisite power and authority from said Beneficial Owner to execute and perform the obligations under this Application Form, and has determined that any investment in the Company is consistent with any obligation the Subscriber may have to the Beneficial Owner; and (iii) has informed each Beneficial Owner that (A) the Subscriber (and not the Beneficial Owner) will be the record owners of any Units purchased hereunder and (B) such Beneficial Owner will not have any recourse directly to the Company or other entity associated with the Company. The Subscriber agrees to indemnify the Company, the Management Company, the Administrator, the Global Distributor and each of their respective directors and officers, for any and all costs, fees and expenses (including legal fees and disbursements) in connection with any damages resulting from the Subscriber's, or the Beneficial Owner's misrepresentation or misstatement contained herein, or the assertion of the Subscriber's lack of proper authorisation from the Beneficial Owner of the Units subscribed for hereby to enter into this Application Form or perform the obligations hereof.

The Subscriber represents that to the extent the Subscriber has beneficial owners or is an intermediary subscribing for Units as a record owner on behalf of one or more investors or beneficial owners (collectively, "**Owners**"): the Subscriber (i) has carried out thorough due diligence to establish the identities of all such Owners; (ii) based on such due diligence, reasonably believes that no such Owners are Prohibited Investors; (iii) has conducted enhanced due diligence on any Owner who is a PEP; (iv) based on such enhanced due diligence, has no reason to believe that the funds invested by each such PEP involve the proceeds of official corruption; (v) has no reason to believe that the funds invested or to be invested by the Subscriber's Owners were derived from activities that may contravene any applicable anti-money laundering laws or regulations; (vi) holds the evidence of such identities and status and will maintain all such evidence for at least 10 years from the date of the Subscriber's complete redemption from the Company; and (vii) will make available such information and any additional information requested by the Directors, and as required by the Administrator in compliance with applicable anti-money laundering regulations, to the extent permitted by applicable law.

6. US-related warranties and representations: The Subscriber declares that it is not a "U.S. Person" as

described in the Prospectus and that the Subscriber is not subscribing for Units as nominee(s) for or on behalf of any such person(s). The Subscriber will notify the Company immediately if the Subscriber becomes a "U.S. Person" or becomes aware that any person for whom the Subscriber holds Units has become a "U.S. Person." The Subscriber represents that it has not been solicited to purchase Units while present in the United States, its territories or possessions nor have the funds to be utilized for such purchase been obtained from any "U.S. Person." The Subscriber further represents that the Units are being acquired for investment purposes, that neither the Units nor any interest therein will be transferred to a "U.S. Person" or be transferred within the United States, its territories or possessions without the consent of the Company and that the Subscriber will not enter into any swap or other derivative transaction with respect to the Units without the prior written approval of the Company.

The Subscriber is not a "benefit plan investor" unless otherwise notified in writing to the Company. The term "benefit plan investor" refers to (i) any "employee benefit plan" as defined in, and subject to the fiduciary responsibility provisions of, the U.S. Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), (ii) any "plan" as defined in and subject to Section 4975 of the Code, and (iii) any entity deemed for any purpose of ERISA or Section 4975 of the Code to hold assets of any such employee benefit plan or plan due to investments made in such entity by already described benefit plan investors. Benefit plan investors include, but are not limited to, corporate pension and profit sharing plans, "simplified employee pension plans," Keogh plans for self-employed individuals (including partners), individual retirement accounts, medical benefit plans, life insurance plans, church plans that have elected to be subject to ERISA, bank commingled trust funds, or insurance company separate accounts, for such plans and accounts, and, under certain circumstances, all or a portion of the general account of an insurance company. If not a benefit plan investor on the date this Application Form is signed, the Subscriber agrees to notify the Company immediately if the Subscriber becomes a benefit plan investor.

The Subscriber agrees that it: (i) will provide any form, certification or other information reasonably requested by and acceptable to the Company that is necessary for the Company (A) to prevent withholding or qualify for a reduced rate of withholding or backup withholding in any jurisdiction from or through which the Company receives payments or (B) to satisfy reporting or other obligations under the U.S. Internal Revenue Code of 1986, as amended (the "**Code**") and the Treasury Regulations thereunder; (ii) will update or replace such form, certification or other information in accordance with its terms or subsequent amendments or as requested by the Company; and (iii) will otherwise comply with any reporting obligations imposed by any jurisdiction, including reporting obligations that may be imposed by future legislation.

7. Common Reporting Standards (CRS) and Foreign Account Tax Compliance Act (FATCA): The European Union has recently adopted Council Directive 2014/107/EU (the "**CRS Directive**") which amends

APOLLO GLOBAL EQUITY FUND OF FUNDS VCIC PLC

Council Directive 2011/16/EU on administrative cooperation in the field of taxation. The CRS Directive provides for the implementation of the regime known as the "Common Reporting Standard" ("CRS") proposed by the Organisation for Economic Co-operation and Development ("OECD") and generalizes the automatic exchange of information within the European Union as of 1 January 2016. Under these measures, the Company may be required to report certain information relating to its Unitholders, and income, sale or redemption proceeds received by the Unitholders in respect of the Units. This may require additional due diligence to be carried out by the Company in respect of the unitholders. This information may be shared with tax authorities in other EU member states and jurisdictions which implement the OECD Common Reporting Standard with the first data exchanges taking place in September 2017. Subscribers should inform themselves of, and take advice on, the impact of the Directive on their investment. The Subscriber acknowledges that potential non CRS compliance could result in relationship termination (if any), inability to subscribe (if any), and/or potential reporting to tax authorities.

In accordance with the U.S. Foreign Account Tax Compliance Act ("FATCA") and the bilateral agreement between the Cypriot government and the Internal Revenue Service of the United States of America, the Company and/or the Administrator is required to disclose information of certain "U.S. persons" that own, directly or indirectly, an interest in the Company as well as certain other information relating to such interest. If the Company fails to satisfy these obligations, or if a Unitholder fails to provide the Company with the necessary information, certain payments to the Company in respect of the Company's investments may be subject to a 30% withholding tax, and payments from the Company to the Unitholder, if any, may likewise be subject to a 30% withholding tax.

The Subscriber agrees to provide such information as may be required (whether in this Application Form or otherwise), and it consents to the disclosure of such information to such person or persons as may be deemed to be necessary in order to permit them to comply with their obligations under FATCA or the CRS. The Subscriber undertakes to ensure that such information as it provides is kept up-to-date and to notify to the Administrator any change to such information which may be relevant for the purposes of FATCA or the CRS as soon as reasonably practicable (including without limitation any change in the Subscriber's name, permanent residential address or registered office and/or the state in which it is resident for tax purposes).

8. Indemnification: The Subscriber agrees to indemnify and hold harmless the Company, the Administrator, Global Distributor and their respective directors, officers and affiliates and each other person, if any, who controls or is controlled by any thereof, against any and all loss, liability, claim, damage and expense whatsoever

(including, but not limited to, any and all expenses whatsoever reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon or related to: (i) any breach of any representation or warranty or breach or failure by the Subscriber to comply with any covenant or agreement made by the Subscriber herein or in any other document furnished by the Subscriber to any of the foregoing in connection with this transaction; or (ii) any action for securities law violations instituted by the Subscriber that is resolved by judgement against the Subscriber.

9. Waiver: No failure or delay on the part of the Company, any Director, the Administrator, or the Global Distributor (each a "Relevant Person") in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
